#### Others

Suite office

Enscape

### INTERESTS

3d Printing

Lasercutting

CNC Milling

Electronic

### OBJECTIVE

I am currently looking for an internship in a design office where I can apply the knowledge I have acquired. During this internship, I would like to be able to carry out various structural analysis, 3d modeling and technical details as well as applying BIM collaborative work methods.

### EXPERIENCE

#### Surveyor | Bruxelles Logement

August 2021–September 2021

- Housing visit
- Inspection of building conditions
- Report writing

#### Technical officer | Chassis-tec

June 2022–August 2022

- Customer service
- Quotation drafting
- Production control
- Worksite visit

### EDUCATION

#### Master's degree | Architectural Engineering

Université Libre de Bruxelles

September 2020 - June 2025
